## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 1-9, 11-25, 27-28 are allowed.
2. The following is an examiner's statement of reasons for allowance.

Prior art of record fails to teach or fairly suggest an apparatus, method and system for supplying calling party information to a called party wherein each independent claim (i.e. claim 1, 11 and 18) require, inter alia, determining whether a second device associated with the called party and separate from the telephone device is connected to the data network, storing the calling party information when the second device is not connected to the data network and providing the stored calling party information to the second device associated with the called party from the gateway device via the data network when the second device becomes connected to the data network.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
